Upcoming Club Meeting
Sunday, August 13, 10:00 a.m.

American Legion Hall, 22 Elm Street Gardner, Massachusetts
Theme: Non-American makers, Insects and new finds

Hello everyone,

I am not am not sure about you, but the weather this summer has been wild. So much rain and flooding. Our friends up in New Hampshire and Vermont have had some awful flooding. We needed rain, but enough is enough. Thinking of raindrops...

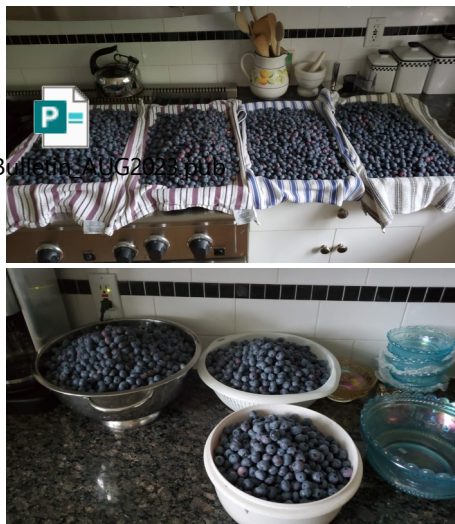

It is hard to believe that in a few weeks our annual convention will be taking place. So far we have a decent attendance, It will be a fun time to socialize with everyone and catch up on everything that has been going on in our lives, and of course sharing carnival glass stories and tales of the pieces that just got away. I know a few people that had lady luck on their side. Another great way to share adventure is to write an article and have it appear in an upcoming bulletin (hint, hint).

I have been working away on items for the convention this year, and already started working on the 2024 convention. It will be held again at the Courtyard by Marriott Hartford-Cromwell hotel in Cromwell, Connecticut In my opinion we hit the jackpot with this hotel. I have been in contact with Jim Wroda and he may have a fantastic auction for us. Time will tell and as soon as he knows more he will let me know and then I can share with you. I already have my thinking cap on for activities for 2025 as it will be NECGA's 50th Anniversary.

Things in Wethersfield have been somewhat quiet. For those that have been to our home and gardens, you may have seen or heard about our blueberry bushes. We have 18 bushes that produced a bumper crop of berries this year—one that we have not experienced in 25 years. We were picking everyday for almost 3 weeks just to beat the birds. We do not use netting and I will be damned to let the birds get the lion share. We froze 4 gallon Ziploc bags of berries, made a couple of quarts of syrup, and must have given away close to 20 gallons to friends, family and neighbors. We can now rest as the season has ended. I do love blueberries.

NECGA Bulletin AUG2023 p16

Old Business:

- ◆ Last Club Meeting Minutes/Report: Gary made a motion, seconded by John. All were in favor.
- ◆ Treasury Report: Not much change in the treasury. Recent registrations for convention, new members, and a deposit to hotel for 2024 convention. Sue made a motion to accept the treasury report and it was seconded by Vickie. All were in favor.
- ◆ Steve reported that our GoDaddy renewal for our website is up June 29th. Still has not seen any special pricing for renewal. If no special pricing is offered we will make the best selection for club.

New Business:

- ◆ Convention 2024: Steve reported with the club's board of directors approval, he signed the contract and supplied a deposit to the hotel. Pricing increases were minimal. Guest room rate will be \$119 ++ per night.
- ◆ Banquet dinner selection was chosen by club members in attendance. This year it will be the Little Italy buffet. Steve will contact hotel to check in for gluten free options.
- ◆ John made a motion to close the business meeting., seconded by Dave. All were in favor.

To confirm, our convention dates are Sept. 7, 8, 9, 2023.

Our Meeting adjourned at 11:40.

Next Meeting: August 13th at 10:00 a.m.

Location: American Legion, 22 Elm Street, Gardner, Massachusetts

Upcoming Theme: Non-American Carnival Glass, patterns with insects, and new finds

Club Members: the club needs articles for the bulletin.

Support NECGA—If you are attending the convention, please consider contributing something to the banquet fundraiser auction. It doesn't have to be carnival glass. Brownies, wine, food items, crafts, etc... All proceeds go towards club functions.

Also, consider having a room display. What a great way to share and showcase your glass. You have a chance of winning a prize.

The following article appeared in the 1995 September HOACGA newsletter.

J.R. Millner Advertising Tumbler

The J.R. Millner advertising tumbler is actually the same tumbler as the Cosmos and Cane tumbler, only instead of the regular flowers and leaves design found on the bottom of the base on the regular tumbler, this tumbler contains the words "J.R. MILLNER CO. LYNCHBURG, VA" which was part of the mold work.

Honey amber is the only color that we have seen used with the J.R. Millner tumbler, even though the regular Cosmos and Cane tumblers can be found in white, and a few true marigold. The advertising on the bottom of the base makes the J.R. Millner tumbler unique and they are certainly not easy to find. We notice that one does show up occasionally at auctions, however, it took us a number of years to find one of these for our collection. The J.R. Millner tumbler was made by the old U.S. Glass Company.

We thought it might be interesting to include history of the J.R. Millner Company along with this article. The company was founded in 1890 at 802 Main Street in Lynchburg, Virginia. It was a large variety store. J.R. Millner was president, W. S. Carrol vice president and J.P. Adkins was secretary/treasurer. The store was remodeled and given a face lift in 1949. On April 18, 1957, stockholders voted to merge with Miller & Rhoads Company of Richmond, Virginia and became known as Millner, Miller and Rhoads. Later the Millner name was dropped. The store closed around 1970. The old Millner Variety Store Company is now a part of the past, but the pretty interesting J.R. Millner carnival glass tumblers will be part of the future as long as there are people on earth to enjoy them.

We wish to thank Mike Carwile of Lynchburg, Virginia for providing the historical information and material on the old J.R. Millner Company. We also thank Bill Edwards who was instrumental in getting this information to us.
